# The Marina

Located in the township of Airlie Beach, Queensland, our marina is the gateway to the Great Barrier Reef (seventh wonder of the world), as well as the 74 beautiful Whitsunday islands.

Only a short 30 minute journey by car from Whitsunday Coast Airport (Proserpine), or by ferry from Hamilton Island Airport. Coral Sea Marina boasts 520 wet berths in an idyllic, prime location. A range of comprehensive marine services are available within the marina safe-haven created by our iconic breakwater, all of which can be located in this booklet.

Our marina resort village is a short 1km waterfront walk to the heart of Airlie Beach, or a 5 minute drive in our courtesy car to local provisioning, medical and many other key services available throughout the Whitsunday community.

The hotel at the Coral Sea Marina Resort is located along the boardwalk towards Airlie Beach, just past the north village. The iconic hotel offers an enticing array of facilities, including 25 metre pool and award-winning restaurant, as well as impressive views out towards the islands and Pioneer Bay.

Should you wish to book any tours, accommodation or restaurants whilst staying with us at the marina, please visit our Guest Services team during office hours and they will be able to assist with your requirements.

Coral Sea Marina Resort provides the perfect place to stay, play and explore the Whitsundays.

# Arrival & Marina Information

The marina comprises of 520 wet berths and can accommodate vessels up to 80m. Each berth has fresh water and 15amp shore power included. Three phase power requirements can be catered for. Premium services available include access to Ocean Club, courtesy cars, helicopter transfer service, after hours security, pump out facilities, 24 hour fuel (including fast flow diesel), CCTV and secure gate access. The marina is protected by a unique rock wall breakwater – a perfect place for both long and short term stays.

#### **VHF Radio**

Coral Sea Marina monitors VHF Channel 09 between 8am – 5pm. Call Sign 'Coral Sea Marina'.

# Village Wi-Fi

Guest Wi-Fi is now readily available throughout the marina villages. For login details please contact our Guest Services team. Wi-Fi Hotspots are also located at Ocean Club, The Garden Bar Bistro, Kiosk Café, Sorrento Restaurant & Bar and The Rocks.

## **Berthing**

Berths are available from 12noon to 11am (on day of departure). Should you require an earlier berthing time please make arrangements with our Guest Services team, who will endeavour to meet your requirements where possible.

Due to the high volume of vessel traffic, occasionally there may be a need for temporary arrangements to be made.

If entering the marina after hours, please contact us during office hours for your berthing allocation and we will SMS you the Night Duty Manager contact. They can assist with berthing and providing access cards so you can use the amenities.

# **Extend Your Stay**

We understand that you may not get to experience all of the Whitsundays in a short stay and you may need to extend. Should that be the case, please notify us at your earliest convenience. Please note that due to other bookings made in advance, we may request you relocate to a new berth for the duration of your stay.

To secure a berth for future visits, it is advisable to book in advance:

Phone: + 617 4946 2400
Email: marina@csmr.com.au

#### **Weather Forecasts**

A three-day weather forecast, including the tide chart and sea level pressure prognosis is printed daily. Copies are available for collection the marina office. Weather boards displaying the current weather are also located in both the marina villages, as well as links to the daily weather being accessible on our eConcierge app.

# **Security Gate Access**

Every evening from 6pm to 5am each marina gate is locked for security purposes. A marina access card will be issued to you to allow after hours access with a \$50 refundable deposit required. On your departure day, please return your access card to the marina office and your deposit will be refunded. Alternatively, marina access cards can be returned to the after hours

drop boxes located outside the south marina office front door, the north marina office front door and at the end of O/P Arm gate. We will then contact you to arrange a deposit refund.

# **Fuelling**

The fuel wharf is available for public use with 24/7 access. Card payment facilities are available on the fuel wharf. Due to the high volume of boat movements, it is essential to make a fuel booking in advance with the marina office during office hours. To reduce congestion, we allocate half an hour for each vessel to utilise the fuel, water and pump out facilities and to assist the next vessel to dock for its scheduled time. We appreciate your understanding and cooperation at the fuel wharfs.

#### **LPG Refills**

Gas refills are available from both north and south marina offices. Please contact the marina office for gas fill scheduling and collection of filled LPG cylinders, or to arrange after hours collection you may contact the Night Duty Manager. Fees apply.

#### Laundry

Laundry facilities are available from 5:30am - 9:00pm. Change machines are available for your convenience at the north village laundry and the Ocean Club laundry.

Luggage lockers are also available in the north marina laundry.

# **Concierge Service**

Dockhand: Upon your arrival into Coral Sea Marina our dockhand can meet you at your berth to catch your lines and ensure an easy and comfortable arrival into the marina. The dockhand will be able to provide you with an overview of the marina services, facilities and information about the vibrant township of Airlie Beach. If you are looking to get a gas bottle refill or schedule in for the fuel dock, the dockhand can assist in facilitating this process.

Courtesy Car: Private marina guests are able to book one of our four cars for two hours to assist with provisioning and accessing local suppliers. Ask the friendly team about car availability and terms and conditions. To make a booking please contact the office.

**Transfer Service:** As a part of our concierge service we offer our marina guests the choice of private luxury and shared pick up service to/from Whitsunday Coast airport. We can also arrange transfers to/from Port of Airlie to meet your ferry service to the islands. Fees apply.

Helicopter Service: We can arrange helicopter transfers to and from Whitsunday Coast & Hamilton Island airports directly to Coral Sea Marina Resort as well as tours over the Whitsunday Islands and Great Barrier Reef. The Coral Sea Flight Collection with Helireef includes superb flight options for activities such as playing golf at Dent island, visiting Heart Reef or having a private picnic on Whitehaven Beach. For prices and details, please contact our Guest Services team.

Ocean Club: Our floating guest lounge is complete with twelve en-suite private amenities, the Ocean Club Spa, a business centre, expansive sun deck complete with ice-maker, coffee machine, BBQ, Wi-fi and much more. Speak to our team about how you can experience Ocean Club.

**Activity Bookings:** Should you wish to book any tours, accommodation or restaurants whilst staying with us at the marina, our Guest Services

team can make those arrangements on your behalf.

### **Amenities**

Shower and bathroom facilities are available at both the south and north marina villages, as well as at Ocean Club. Your marina access card provides access to these amenities. To ensure high levels of cleanliness we complete regular checks of all our facilities. Please contact us if there is anything you believe needs our attention.

# **Refuse & Recycling**

Help Coral Sea Marina Resort maintain our beautiful environment by using the appropriate bins to reduce the amount of land-fill wasted produced. We have two refuse disposal stations – adjacent to the north marina office (in the turning circle), and behind the south marina office. There are mixed recycling and cardboard bins available and we kindly ask that you please crush and/or flatten cardboard boxes. Refuse is cleared on a daily basis.

### **Trolleys**

Trolleys are available to help with provisioning, refuse disposal etc. There are three dedicated locations for trolleys - in the north village, south village and at Ocean Club.

Please see Guest Services in the north marina office for trolleys located in the north village as these remain locked at all times.

We kindly ask that you return trolleys from where they were borrowed. A \$20 retrieval fee will be charged if the trolley is not returned.

## **Power Supply**

3-phase power (32amp, 63amp or 125amp) will incur additional charges based on consumption. 15amp shore power is available and use of multiple 15amp/ single phase power incurs an additional daily charge.

#### Insurance

All vessels staying in the marina must have current full comprehensive insurance including P&I (Protection & Indemnity) cover to the value of A\$10M. Insurance must be from a provider that is licensed to operate in Australia under the Australian Prudential Regulation Authority (APRA). A copy of the vessel's current insurance documentation is required, along with a signed copy of the Berthing Agreement, detailing the terms and conditions of the marina, when checking in.

## **Electrical Cords**

It is mandatory that all electrical leads connecting to our shore power must be tested by a qualified professional and have a current and valid tag displayed on the lead. It is also compulsory that all single phase power leads are to have a current rating no less than 15amp for safety requirements.

## **Contractors & Tradespeople**

A Contractor Induction Program has been introduced to ensure the high standard of service provided by contractors and tradespeople here onsite. In accordance with WHS legislation, Coral Sea Marina now requires all contractors and tradespeople to check in at the marina office prior to work commencing in order to complete the required induction program. Insurance and qualification certificates are mandatory for the induction and all power tool leads must be tested and tagged. Inducted contractors will be identified with a contractor lanyard and access card, \$50 per card payable at time of induction. Boat owners are responsible for ensuring any tradespeople they engage to work on their vessel have completed our induction program.

## **Night Duty Manager**

Our Night Duty Manager has a full time presence in the marina nightly from 6pm – 5am. If you have any issues in the marina during these hours, please phone +61 488 140 923.

#### We Welcome Feedback

Please contact us should you have any concerns or suggestions that may improve our services or facilities. We are always looking for ways to improve the guests experience. A guest questionnaire is included in the welcome pack allowing your written feedback and we thank you in advance.

# Ocean Club

Ocean Club is now a complimentary service included in our utilities service, available for all private marina guests. Ocean Club is design to add a touch of comfort to our our guests experience and act as an informal meeting area where like-minded boaties can share a coffee, a cold beer or a chat about their latest on-water adventure.

With twelve private en-suite bathrooms and a coin-operated laundry on the first floor, plus a Spa and sundeck on the second floor, Ocean Club is the perfect place to relax any time of the day. In addition, Ocean Club has the following services available:

- · Complimentary tea and coffee making facilities
- · Complimentary lifestyle and marine magazines please take one with you to enjoy back at the boat

# Marina Resort Dining

#### The Rocks

Conveniently situated poolside at the hotel, the newly renovated and rebranded restaurant, The Rocks, offers the perfect combination of ocean views, all fresco dining and a sensational menu.

Overlooking the freshly manicured lawn, beach, towering palms, and calm azure waters, it boasts quite possibly the best dining position in Airlie Beach.

Sit down to an enjoyable lunch after a refreshing dip in the pool, or sip on your preferred cocktail whilst the sun goes down, followed by a delectable dinner served with breath-taking views.

Marina guests are entitled to a 10% discount at The Rocks. Simply present your marina access cards when making payment.

### The Garden Bar Bistro

A contemporary bar and bistro located on the waterfront in the south marina village. The Garden Bar Bistro has stunning views over the marina and Coral Sea and captures the energy of the Whitsundays lifestyle with a relaxed yet spirited atmosphere.

Blending comfortable seating and stylish design, The Garden Bar Bistro offers the perfect place for afternoon drinks, sunset cocktails or an appetizing meal. Enjoy live music at the weekends amongst other events such as trivia nights and wine tastings.

With a fresh bistro-style all-day menu, daily specials, great drink options, it is the perfect place to enjoy at any time of the day.

#### Sorrento Restaurant & Bar

Sorrento is uniquely located in the north marina resort village with unrivalled views over the marina and out over Whitsunday Islands. Well known amongst marina guests and locals for being the best place in Airlie Beach to catch the sunset, the extensive deck downstairs and balcony upstairs caters for large numbers to enjoy the afternoon sea breeze whilst dining on some gourmet delights.

The bar and restaurant has a friendly, informal atmosphere and excellent Italian inspired menu – from pizza to pasta, from share platters to the finest steak, Sorrento is the place to relax and take in the magnificent views of the Whitsundays. Open daily from 11am.

#### Bohemian Raw Café

Come and relax in this funky little waterfront café and feast your eyes on the freshly made, guilt-free menu! They offer something to suit the whole tribe with a wide range of dairy free, gluten free, meat, vegetarian and vegan options available and they promise you will have a happy tummy after a visit to Bohemian Raw...

The Boho team are masters of the superfood smoothie, acai bowls, freshly made wraps, super-salads, cocowhip, organic tea and coffee and locally brewed Mr Bean cold drip.

Open daily for breakfast and lunch. All you need to bring is your smile.

# The Kiosk Café

Head down to The Kiosk Café for great coffee and a range of hot and cold snacks all freshly made with love. Open daily for breakfast and lunch, the newly renovated deck at The Kiosk Café is a great place to relax and watch the hustle and bustle of the north marina village.

Tuck into an Eggs Benedict or a full cooked breakfast, as the perfect way to start your day before heading out on the water. Snack on a sandwich or burger for lunch or enjoy a tapas style menu for dinner Thursday to Sunday. There is something for everyone at The Kisok Café, 7 days a week!

# Experience The Best Of The Whitsundays

The Whitsundays is well known for being an aquatic playground and home to a host of unique hero visitor experiences. Whether you prefer adrenalin and excitement or relaxation and rejuvenation, the 74 islands of the Whitsundays and the Whitsunday mainland coast has all this and more.

### **Great Barrier Reef**

The world heritage listed Great Barrier Reef is on our doorstep and to visit this iconic natural wonder must be on your holiday 'to do' list.

People worldwide dream of seeing the iconic formation of Heart Reef from the air or scuba diving with turtles and manta-rays on the Great Barrier Reef. The Whitsundays is the ideal place from which to visit the reef being host to a range of transport options providing access to one of the seven natural wonders of the world.

#### Whitehaven Beach

The crystal clear aqua waters and pristine silica sand of Whitehaven Beach stretch along seven kilometres of Whitsunday Island, the largest of the Whitsundays' 74 islands. The magical views from the lookout at Hill Inlet are sure to captivate, with the swirling white silica sands and sparkling waters creating amazing patterns, which are different with every tide. There are many ways to get to Whitehaven Beach for the day, with tours of all kinds departing from Coral Sea Marina.

# **Scuba Diving & Snorkelling**

Coral reef gardens fringe nearly every island in the Whitsundays and these coral reefs are only a short boat ride from Coral Sea Marina. Scuba dive sites are sprinkled up and down the reef and are home to abundant marine life. If you have always dreamt of scuba diving or snorkelling on the Great Barrier Reef, let the Whitsundays provide you with access to some of the most beautiful dive sites in the world.

### Sailing Paradise

With 74 island wonders, Whitehaven Beach and sailing friendly townships along the Whitsunday coast, it's not surprising that the Whitsundays is Australia's sailing paradise.

Airlie Beach and Hamilton Island are home to two of the country's most famous sailing regattas, taking place back to back in August every year. The race weeks are full of action packed sailing events along with plenty of on-shore activities on the race week calendar to keep the non-sailors in the family happy.

# **Whitsunday Coast**

Explore the Whitsunday hinterland either on a local tour or make your own discoveries. Take a walk through the Whitsunday Great Walk or visit the beautiful Cedar Creek Falls. Relax by the Airlie Beach Lagoon or take a picnic out to the Lake Proserpine.

# Whale Season (June – September)

Whales visit the Whitsundays every year during the winter months on their annual migration north. From June to September, whales are a common sight frolicking amongst the islands and on the Great Barrier Reef. They return year after year to the Whitsundays to give birth, choosing the warm, protected waters of the Whitsundays as an ideal nursery.

## **Indigenous History**

Follow in the footsteps of the traditional owners of the Whitsundays, the Ngaro people. Track their history along the Ngaro Sea Trail, traversing three islands over land and sea. A highlight is the walking track leading to a sheltered cave in Nara Inlet, Hook Island, where you can view Aboriginal rock paintings.

# **Pamper Yourself**

There's nothing like a little indulgence on holidays, a massage, a foot spa, a manicure and pedicure. You could also get your hair done and have a spray tan to complete the "I've just been on holiday's in the tropics" look. If you happen to find yourself on holiday in a little rain spell, it's even better as there's no need to feel guilty about missing hours of sunshine while being pampered indoors at the day spa!

## **Whitsunday Wildlife**

The diversity of wildlife in the Whitsundays is one of it's hidden gems. Below are some of our recommendations for locations you could experience wildlife wonders:

- Butterfly Bay (Hook Island) late summer into early spring you will find swarms of butterflies of all different colours in this bay.
- Tongue Bay/ Turtle Bay (Whitsunday Island) as the name of the latter suggests, these protected bays are favourites with the green and loggerhead turtles found readily in the Whitsundays.
- Whitsunday Passage during breeding season (June October)
  you will be likely to see Humpback whale mothers with their calves
  exploring the Whitsunday waters. Whitsunday passage is their
  favourite playground, due to the cool waters of the deep channels
  which run throughout.
- Burning Point (Shaw Island) Beach Stone Curlews use this site as a nesting ground from October to March. Observe from a distance, as they are very protective of their young!
- Long Island the incredibly shy and endangered Proserpine Rock Wallaby are often found scampering across bush tracks. Smaller than normal wallabies, these natives are found across many of the Whitsunday islands.

Remember to take only memories and leave only footprints.

\*\* Please refer to our website for more information on interacting safely with marine wildlife in the Great Barrier Reef Marine Park.

## **Explore the Coast**

- Conway National Park With multiple scenic walking trails through the tropical coastline you can explore hidden gems including waterfalls, lookouts and secluded beaches.
- Cedar Creek Falls A leisurely 30 minute drive from Airlie Beach, Cedar Creek Falls is a naturally formed waterfall and swimming hole. Best enjoyed in the wetter months of summer.
- Proserpine Just 20 minutes inland from Airlie Beach, the charming township of Proserpine boasts quintessential Australian charm and country atmosphere.
- Proserpine Dam A freshwater escape located a further 30 minutes inland from Proserpine. After a scenic drive through the Whitsunday outback you can enjoy wake-boarding, jetskiing, and most famously, fresh water fishing where Barramundi is plentiful.
- Hydeaway Bay & Dingo Beach These small coastal hamlets are one of the Whitsundays' best kept secrets. A strong favourite with locals and only a 40 minute drive north. Enjoy lunch at the beachside resorts, fish from the palm-fringed shore or head out on the water to explore the fringing reefs.
- Bowen A relatively undiscovered coastal town rich in history with
  picturesque beaches and sunsets. Famous for its local mango
  production, as well as being able to physically walk to the reef from the
  beach, Bowen is located only 45 minutes drive north of Airlie Beach.

# Explore The Indigenous History Of The Whitsundays

The Ngaro and Gia people are the traditional custodians of the Whitsundays and their rich history can be explored throughout the Whitsunday islands:

- Nara Inlet enjoy a stunning bush-walk and explore the ancient rock art at the Ngaro Cultural Site.
- Hill Inlet explore the deep history of the Ngaro people as you walk
  the Hill Inlet lookout track from Tongue Bay, with interpretive displays
  along the track.
- Ngaro Sea Trail follow the trail via kayak or boat, as you traverse the routes the traditional custodians of the Whitsundays once travelled.

# **Environmental Responsibility**

# The Last Straw Campaign

With over 500 million plastic straws being discarded every day globally and each straw taking up to 450 years to degrade, the team at Coral Sea Marina Resort felt like it was time to take environmental action.

With 22 businesses and 53 commercial tourism operators calling Coral Sea Marina Resort home, the next step for the marina was to spread the message and encourage participation in the campaign. In an overwhelming response, all five marina food venues have committed to becoming plastic straw free.

The Garden Bar Bistro, The Rocks - Restaurant, Bar and Pool Club, The Kiosk Café, Bohemian Raw Café and Sorrento Restaurant & Bar have all taken the pledge to no longer provide plastic straws in beverages and only provide paper straws on request. By committing to becoming plastic straw free, these five venues alone have removed 70,000 plastic straws from circulation.

### **Purging Plastics**

Coral Sea Marina is working towards the elimination of single-use plastics from within the marina precinct after signing a pledge with th Marina Industries Association in 2019. In addition to The Last Straw Campaign, we are continually introducing new initiatives to assist this pursuit.

Following the removal of single use plastic bags from the local Whitsundays supermarkets in July 2018, Coral Sea Marina supplies all guests with an environmentally friendly shopping bag on arrival. Our courtesy car fleet will also have environmentally friendly bags available for your convenience. Additional bags are available for purchase at the south marina office.

In addition, there are several Hydration Stations located throughout the marina resort where you can refill water bottles to reduce the purchase of plastic bottles. You can even purchase your own Enviro Water Bottle to keep, available from either of the marina offices.

#### Clean Marina

Coral Sea Marina is a certified Clean Marina Level III. Since we are located on the doorstep to the Great Barrier Reef Marine Park, we are passionate about conserving our marine environment and ask that our guests assist us in this cause, where possible.

What can you do to keep our marina clean?

- 1. Reuse and recycle both north and south marina villages have recycling facilities for paper, cardboard, glass, aluminum cans and hard plastics. We encourage all guests to make full use of the marina recycling facilities during their stay.
- 2. No fishing our marina is certified Fish Friendly, so no fishing is permitted within the marina precinct.
- 3. Nothing to be thrown overboard please contain all your rubbish (including liquids) and dispose of it in the correct manner.
- 4. Sewage all sewage must be disposed off at the pump-out facilities on the fuel dock. No toilet discharge permitted in the marina.
- 5 Conserve water if you see a tap dripping please turn it off, don't leave hoses unattended when filling water tanks and report any damaged hoses and/or fittings to the marina office.

Do you have any suggestions on how we can better conserve our marine environment? We would love to hear from you!
