

## CRUISING THE WHITSUNDAYS

**Saturday 22nd May | 10am - 12.30pm**  
**The Lookout Lounge at Coral Sea Marina**

Discover more about what you can expect whilst exploring the Whitsunday Islands and the Great Barrier Reef

### Welcome to the Whitsundays

*Queensland Parks and Wildlife*

Learn from Queensland Parks & Wildlife all about what is new for you to explore around the Whitsunday Islands, what to expect this cruising season and how to be mindful of the Whitsundays environment during your time in the region.

### Guide to the Whitsundays

*Master Reef Guide*

From the local marine life to the coral reef, plus the wonders of our incredible region – Learn from a passionate and dedicated local Master Reef Guide to make the most of your time whilst cruising the Whitsundays...

### Hidden Figures helping to build a Sustainable Future for the Great Barrier Reef

*Flying Scientists - Dr Kate Helmstedt*

Learn more about the incredible complexity of the Great Barrier Reef. Special guest speaker, Dr Kate Helmstedt, will discuss how math and data science can help us to understand the valuable ecosystem, to predict its future, to examine our use of the reef, and to design better management to ensure its future.

Join us afterwards for an informal meet and greet.  
Cash bar available.

# THE CORAL SEA *Academy*

CORAL SEA  
MARINA | RESORT

We are proud to welcome you to join the Coral Sea Academy, an initiative that provides a series of innovative events designed to educate guests, locals and visitors to the Whitsundays about the environment, the Great Barrier Reef, better boating and sustainability.
